

MOTORCYCLES YBR 125G

YBR 125G

The new YBR125G combines pleasure with practicality.

It has an economical, tried-and-tested 4-stroke engine with electric starter. Its wide two-seater saddle and exclusive balancer system to cut down on vibrations afford great comfort, making it a sheer pleasure to ride.

Its new studded tyres and various protective features have upgraded this model to a new generation of multi-purpose 125cc motorcycles, at home whatever terrain, providing excellent value for money.
